

American Legion Post 25 Standing Orders

Note: Standing Orders are administrative documents which support the Post Constitution and Bylaws. They are 'how to' instructions for Post operation that ensure consistency and continuity as Post Officers and Committees change from year to year. Changes to Standing Orders may be suggested by any Post member, and must be approved by the membership at a General Meeting. The Standing Orders are kept in the Post Commander's office and are available for any member to read.
